

INFORMATION SECURITY SOLUTIONS EUROPE ANNOUNCES 2015

CONFERENCE AND EXHIBITION SUPPORTERS

Adobe, SerNet, Cryptomathic, Secunet and G+H Netzwerk-Design

Information Security Solutions Europe ([ISSE 2015](#)), Europe's leading independent, interdisciplinary security conference and exhibition, today announced [Adobe](#), [SerNet](#), [Cryptomathic](#), [Secunet](#) and [G+H Netzwerk-Design](#) as supporters of the 17th annual event.

ISSE 2015 takes place on 10th and 11th November at the Palace Hotel Berlin, Germany, where more than 400 private and public sector delegates will focus on the theme of making Europe a safer place to do business, addressing issues of cybersecurity, cybercrime, e-identity, data privacy and protect, trust and regulation.

Marketing Manager at Cryptomathic, Stefan Hansen comments: "ISSE is a very attractive conference for Cryptomathic, with trust services, eID, cloud and mobile security amongst ISSE's key topics for this 17th edition in Berlin. For almost two decades, Cryptomathic has pioneered solutions in these fields and we have provided innovative security technology for some of the most successful deployments across Europe." Hansen adds: "ISSE gathers a unique community of experts to address the relevant and pressing topics in the industry, which makes it a natural step for Cryptomathic to participate and present its latest innovations at this forum."

At ISSE 2015 G+H Netzwerk-Design will present its [daccord](#) software – a professional product in the area of access Governance which monitors and controls the granting of access rights and thus prevents unauthorised internal data access.

The Event Director at ISSE 2015 organisers, Revolutions Events, is Deborah Puxty-Ward and she comments: "We would like to thank all of our supporters for their contribution to making ISSE 2015 the biggest and best in its history. The team is also proud that for a second consecutive year Adobe has chosen to be the platinum supporter of the event. We look forward to revealing the full agenda for ISSE 2015 in the next few months."
