

## Europe's Leading Independent Interdisciplinary Security Conference Unveils 2015 Programme

*ISSE 2015 takes place 10<sup>th</sup> and 11<sup>th</sup> November 2015, Hotel Palace Berlin, Germany*

**BERLIN, GERMANY** - Information Security Solutions Europe ([ISSE](#)), Europe's leading independent, interdisciplinary security conference and exhibition, today unveiled the [programme for the 2015 event](#) taking place on the 10<sup>th</sup> and 11<sup>th</sup> November at the Hotel Palace Berlin, Germany. At ISSE 2015 more than 300 attendees will join industry experts, academics and government officials in a series of panel debates, seminars and workshops, across three tracks, discussing issues of security, privacy, trust and identity.

ISSE 2015 returns to Berlin for the first time since 2004 and will be hosted by [EEMA](#) and [TeleTrust](#) in collaboration with the European Commission and [ENISA](#). The conference will open with a keynote presentation from the European Data Protection Supervisor (EDPS), Giovanni Buttarelli, and the first day will close with an address from the Federal Minister of the Interior, Germany, Thomas de Maizère, representing the host nation.

The key themes for ISSE 2015 are...

- Trust Services, eID and Cloud Security
- BYOD and Mobile Security
- Cybersecurity, Cybercrime, Critical Infrastructures
- CISO Inside, Management of Privacy and Data Protection
- Biometric Applications
- Regulation & Policies

A highlight of ISSE 2015 will be a high-level panel debate entitled Future Ecosystems for Secure Authentication and Identification, which will bring together global experts from Bundesdruckerei, FIDO Alliance, Google, Microsoft, MTRIX and Yubico.

Other organisations presenting at ISSE 2015 include Adobe Systems Inc., certSIGN, Cryptomathic, DLA Piper, Drexel University, ENX Association, eu-LISA, Fernfachhochschule Schweiz, Fraunhofer

Institute, GDF-Suez, Graz University of Technology, HID Global, Info-Assure Ltd, Institute for Internet-Security, Intel, Intrinsic-ID, KnowNow Information Ltd, Nimbus Technology Consulting, ObjectSecurity, SAP, PricewaterhouseCoopers, Royal Holloway University, Secardeo GmbH, secunet, Sirrix AG Security Technologies, Studio AG, sys4 AG, The Auditing Company, time.lex, University of Antwerp, University of Passau, University of Applied Sciences in St.Gallen, VMware and Zertificon Solutions GmbH.

The conference will draw to a close with the world renowned cryptographer Professor Bart Preneel, returning to ISSE to present The Cryptographic Year in Review.

The 16<sup>th</sup> annual ISSE conference and exhibition is supported by [Adobe](#) (Platinum supporter), [SerNet](#) (Gold supporter) and [Secunia](#) (Silver supporter).
